## About AICA

### The African Independent Cat Association was formed on 10 August 2010 as an Independent Organisation with the following missions:

1. To be an Independent Organisation from Africa, for Africa organising Cat Shows without the restrictions of International rules not practical or relevant to the local conditions.
2. To co-operate with all existing Cat Organisations, while retaining independence.
3. To use the show and title system of Fife, WCF and European Independent clubs and recognise all titles and certificates from any organisation using the same titles.
4. To recognise judges with verifiable qualifications from all international- and national cat organisations.
5. To use all income from shows and other sources to improve cat shows and promote cats in general, without the need to spend large amounts on affiliation-, licensing- or other fees.
6. To recognise exhibitors as informal members of the club, without the need for membership fees.
7. To explore alternative ways of promoting cats and cat shows, which would be difficult for the larger organisations due to restrictive rules.
8. To recognise and regard South African Provinces as regions equivalent to countries for show purposes and to recognise WCF Regions in other countries as equivalent to countries for show purposes.

## FAQ

1. *What is an Independent club?*  
It is the original format of cat clubs, especially successful in Europe, where the club is autonomous in all respects. It does not belong to a governing body and does not pay affiliation fees or subscribe to the rules and constitution of a governing body on a national or international basis. Some of the largest clubs in Europe are independent.
2. *Is the "pie" in the South African Cat fancy big enough for yet another club to want a slice?*  
AICA does not want to have a slice or compete with the other clubs. It rather wants to add a dollop of cream if it is a sweet pie or some gravy if it is a savoury pie. The idea is to enhance and compliment, not compete.
3. *Why Independent and not TICA, CFA, etc.?*  
An independent club has a lot of options and freedom to explore, without the restrictive rules of an International body, which sometimes are not relevant or realistic in our country and costs nothing in affiliation -, show license -, meeting attendance -, etc. fees.
4. *Is AICA setting up a register?*  
There are three cat registering bodies in South Africa, covering all breeds of cat, for practical purposes – there is no need for an Independent Register. Independent clubs can accept cats registered anywhere.
5. *What about judges training?*  
Independent Judges in Europe take 100% responsibility for their own training, unless they belong to an Independent Guild. They have to arrange their training and examinations with other independent judges. It is a long and tedious process, usually done breed by breed and in a very loosely defined fashion. It is neither practical nor advisable to do this in South Africa. There are no independent judges in our country with whom to train anyway.
6. *What is the association with Fife and WCF?*  
There is no association, apart from the fact that the same title structure is followed and as such titles and title certificates from Fife, WCF and other Independent Clubs following the same title structure can be recognised reciprocally. CFSa, SACC, ACFA, TICA, CFA, UFO, ACF, CCCA, NZCF, etc. titles and certificates follow different systems and can therefore not be recognised for a cat's show career. Fife & WCF judges licenses are recognised, as are all other verifiable judges qualifications.
7. *What standard will judges use?*  
The standards are pretty universal these days. Cats are judged in colour, pattern, etc. classes as per WCF/Independent convention. The standard of the organisation of origin (where the cat was first recognised) is the preferred one.
8. *I still don't get it – what is the advantage of an Independent club over a WCF club or –subclub, for example?*  
Firstly, WCF international shows need 80 cats entered on a show – something which is very difficult to guarantee in smaller centres and other neighbouring countries.  
Secondly, a cat can only receive one title certificate at a WCF show per day. A different show on the same day gives the exhibitors, the stewards and student judges a second opportunity. This makes a lot of sense when we consider the long distances travelled to shows in our country.
9. *What's to stop lots of other Independent Clubs from starting up and opening the flood gates, turning the cat fancy into a "free for all"?*  
Nothing. Hopefully there will be other Independent clubs, with the same idea – to enhance, rather than to compete, with steering committees investing their energy and time into positive development, rather than fighting. Clubs not delivering the goods will simply not be supported and will die a natural death.
