**BLACK EAGLE COUNTRY CLUB,

**EXHIBITORS MUST PROVIDE THEIR OWN CAGES, LITTER TRAYS & LITTER.**

## **PLEASE TAKE NOTE OF THE FOLLOWING:**

All WCF, CASA, Fife and Independent Club titles and certificates are accepted, irrespective of continent or country. The Title system is the same as CASA for National titles and WCF, Fife and European Independent Clubs for International titles. In South Africa the different provinces are recognised as individual regions with the same status as independent countries. In other countries the regions recognised by WCF have the same status as independent countries. Title certificates not indicated on entry forms will not be recognised at a later stage and corrections cannot be done retrospectively.

All cats are entered with their original/initial registration number from any Cat Registering Association. All breeds of cat are entered in separate colour/pattern classes.

Ideally exhibitors stay with and take care of their cats throughout the show. Cats are taken to the judge by their owners or handlers. Stewards only assist the judge to call cats. Breeders may promote and advertise their catteries or other services at their cages. Cats may be groomed and handled at the benching area. Chairs, grooming equipment, etc. may be placed inside the rings.

**KITTEN CLASSES:** Two separate kitten classes constitute kittens between the ages of 3 – 6 months & 6 – 10 months. Baby classes constitute kittens between the age of 10 weeks and 3 months. Babies can also be entered in the litter classes.

**LITTER CLASSES:** A litter class consists of several individuals from the same litter between the ages of 10 weeks and 3 months, exhibited and judged together. Individuals from a litter class can also be entered in the baby classes. The dam of the litter may be benched with the litter, but cannot be entered on the show, as she would still be a nursing mother.

**REGISTRATION** - Every cat or kitten exhibited in the championship section of this show must have been registered with a Cat Registering Authority prior to the closing date for entries to the show. If transferred to a new owner, the transfer must have been duly registered with the relevant Registrar prior to the closing date for entries to a show. Any kittens entered on a show and sold after the closing date for that show must be duly transferred in the 7 days before the date of the show, but the entry will remain in the name of the original exhibitor.

**INOCULATION** - All kittens and cats on show must have been inoculated initially. Photostat & scanned copies of such certificates will be accepted.

**COMMUNICABLE DISEASES** - No exhibitor shall exhibit a cat or kitten which to his/her knowledge has, at the date of the show, been exposed to a communicable disease within the period of 30 days prior to the date of the show, and no cat or kitten may be exhibited if the exhibitor had had any such illness in his or her home or cattery during that period. In the case of a communicable disease having occurred in a home or cattery, a veterinary clearance certificate will be required. Any exhibitor who, in the opinion of the show manager, shall have made a false declaration in respect of the above, will be liable to penalties under the powers of the show manager.

**NO SMOKING IS ALLOWED IN HALLS CONTAINING CATS!**

**REMEMBER TO CLIP YOUR CATS NAILS ON FRONT AND BACK FEET.**

**Please bring your own refuse bags and take all refuse and used litter away with you.**

**SHOW CAGES & BENCHING** - You can place as many cats as you prefer in one cage, as long as the cats can easily be identified by your representative or a steward, should you not be present when your cat is called for judging. You are also welcome to promote your cattery, etc. on top of the cage and decorate in the style of your choice. Ideally the visiting public should be able to view the cats from the outside of the ring. You must indicate on the entry form how many cage spaces you need.

**PLEASE ENSURE THAT YOU DON'T DISPLAY THE LOGOS OR TRADE NAMES OF FOOD COMPANIES OTHER THAN OUR SPONSOR ON YOUR CAGE.**
